Anisa Grantham
Rincon Recovery – A New Life Bariatric
613 Towne Park Dr. West Suite 103
Rincon, GA 31326

Anisa,

It is our pleasure to honor you as BSCI's 2010 Licensee of the Year!
We admire and appreciate the way in which you have effectively utilized the Success Habits and Back on Track Resources to enhance your patient care offering. The evaluations of your courses are stellar reviews for the wonderful work you are doing to serve the bariatric community.

You are truly an example of a successful WLS patient, skillful counselor and coach and a savvy business owner!

It is such a pleasure to know and be affiliated with you. Here's to many more years of successful service. All our best to you, your family and your business.

Yours for Greater Health and Happiness

Colleen Cook, President

Bariatric Support Centers International is pleased to announce that Anisa Grantham, LPC, NCAC owner of Rincon Recovery Resources, LLC www.rinconrecovery.com in Rincon, GA. Rincon Recovery has been named BSCI's Licensee of the Year. Anisa expanded her services in 2009 to include **A New Life Bariatric Program** offering a wide variety of classes, workshops, back on track programs and bariatric resources for pre and post op weight loss surgery patients.

Anisa is a National Certified Addiction Counselor and has worked in the field of addictions for more than 21 years and is a successful weight loss surgery patient from 2002. You can learn more about Anisa and her staff here: (www.rinconrecovery.com). Anisa has also provided counseling and support services for weight loss surgery patients for over 7 years. Her professional training together with her personal experience provide **A New Life Bariatric** clients a wealth of insightful, practical resources.. Call [912-826-0918](tel:912-826-0918) or visit 613 Towne Park Drive West Suite 103, Rincon, GA for more information.

BSCI has been serving the bariatric community for over 12 years and has responded to the need for increased access to quality educational programs for bariatric patients. BSCI has established a licensure for The Success Habits™ Classes, Workshops and Weekly weigh-ins, Back On Track programs, and Body Knowledge™ Assessments all designed to serve the long term needs of weight loss patients.

Licensee Candidates are selected from BSCI's Certified Bariatric Support Group Leaders and Back on Track Facilitators. For more information about obtaining a BSCI license in your area, contact: Colleen Cook, President at [801-601-8448](tel:801-601-8448) or email cmcook@bariatricsupportcenter.com
